

SW Sugar Mills (Pvt.) Ltd. is a company dealing in the manufacturing of white refined sugar. Customer satisfaction and Halal product is our priority.

SW Sugar Mills (Pvt.) Ltd.'s Halal and Food Safety Policy underlines the Company commitment to process Halal and safe sugar and molasses that do not pose any potential risk or health hazard to the customer, comply consistently with relevant local statutory and Halal requirements, and furthermore produced according to internationally acceptable norms and standard of Good Manufacturing Practices (GMPs).

In order to fulfil our Halal Food Safety Policy, we will:

- Improve the quality and safety of our product by continually monitoring the rate of 'acceptable' rejection, and by making efforts for a progressive decrease in the percentage of acceptable rejection.
- Carry out risk assessment from raw materials processing, and finally to finished product based on Halal Control Point, PS 3733:2022 OIC/SMIC will be adopted to provide a proactive approach to hygiene and halal product safety.
- To promote GMPs, and further to introduce and incorporate latest food safety and hygiene practices in the Company thru development of human resources, and improvement in process, facilities and infrastructure; the management recognize its responsibility to provide resources to meet these requirements.

Each team-member at **SW Sugar Mills (Pvt.) Ltd.** represents an essential link in complying with the afore-mentioned objectives, and by doing so we aim facilitates the growth of our trade partners, and also aim to fulfil consumers' expectations and requirements.
